

Community Spirit

What it's really all about!

One thing Leopardstown Heights is really proud of is our community spirit. Cleanup Day 2007 was a tremendous success. We had over 40 adults and 50 children out in force for a day-long battle to get our Estate back in shape. Some of the highlights of our Spring Clean are shown here:

- **Basecamp: Operations HQ though it was almost blown over**
- **Transition Year Painting Crew ~10 Teenagers were Guided by a professional Painter (another resident). Over 180 metres were painted that day!**
- **Powerhosing of walls/paths**
- **Litter Picking**
- **Make-shift Playground/creche for the little 'uns**
- **Hot-Dogs to keep energy up**
- **Candy Floss as a bribe to keep kids going**
- **'Dream Green' competition for the artistic minded**

However, a community like this doesn't survive on its looks alone. Year round events are an essential part of what makes Leopardstown Heights such a great place to live

- **Annual 2-week Summer Soccer Tournament**
- **Local Autumn Nature Walk (to be initiated Autumn 2007)**
- **Santa Claus personal visit**

“Young & Old, Making Leopardstown Heights a better place to live”
